210th Year of Fellowship

From the East – Keith Geise, WM

Well we are half way through the year already and have seen some wild weather. Now that the weather is warm take the time to enjoy it. Spend time with family and friends enjoying life and experiencing all that it has to offer. As we are told in the entered apprentice degree, we are to divide our day into 8 equal sections and in one of those sections we are to find rest and refreshment. Take the time to enjoy life my brothers.

At our first meeting on June 12, we will be holding a modified brother hood night. We are asking you to bring a friend that you believe would make a great mason or bring a brother that has not been to lodge in quite some time. During this time, we will explain what a mason is and give tours of the lodge room.

As my time as Master winds down I would like to thank all the brothers that have supported us this year. Brother Marty Hogan, thank you so much for stepping in as Junior Warden. Brother Kevin Corwin, thank you for the fantastic job you do taking care of the lodge and its various projects. Brother Steve Rogers, thank you for helping with our officer practices and fixing the lodge as needed. To all the Brothers that sat as Senior Deacon, thank you very much for the pleasure of working with you. It truly was a great experience.

Currently officer installation is scheduled for July 11, 2025 at 10:30 A.M. This will be an open installation, so all are welcome to attend.

Brothers be the light that the world so desperately needs right now.
